Providing a healthy connection for our community

Our Story

TAFCO, a locally owned farmer's cooperative based in Myrtleford, had a vision to provide easily accessible skin cancer checks for local farmers. What started as discussions with Alpine Health over coffee evolved into a broader initiative. We envisioned a mobile, multi-use consulting and emergency facility to serve the health needs of residents and businesses across our region.

Introducing Alpine Outreach

Alpine Outreach is a versatile mobile van available for hire by healthcare providers, local health professionals, and organisations. Designed to deliver services to regional and remote areas, the van offers:

- Preventative health care consulting services
- Remote health servicing
- Disaster response capabilities

As a community social enterprise, Alpine Outreach Inc. is administered by dedicated volunteers in North East Victoria. Together, we manage the rental and upkeep of this essential mobile facility, ensuring it continues to meet the health needs of our community.

Alpine Outreach Van Hire Options

Skin Cancer Checks

Alpine Outreach Inc., in collaboration with trained staff from Alpine Health, offers on-site skin cancer checks at your organisation or workplace and selected events.

Self Drive Community

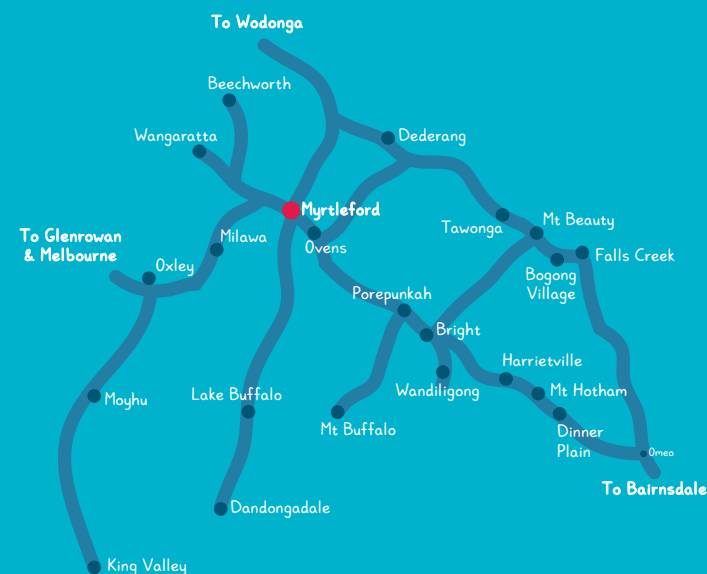

Allied health and emergency recovery response organisations can now book the Alpine Outreach van and self-drive to communities in need of services. Bring essential health care and emergency response capabilities directly to those who need it most.

Self Drive Commercial

Allied health businesses and professionals can also book the Alpine Outreach van and self-drive to provide services to communities in need. Expand your reach and deliver vital health care to regional and remote areas.

The Alpine Outreach van is based in Myrtleford and is available for use throughout North East Victoria.

Stay Updated!

The Alpine Outreach van will be attending local events regularly. Keep an eye on our website and Facebook page for the latest updates and information.
