Dear Trustees of Into Our Hands Community Foundation,

I understand that I may not restrict your actions in the way you handle the assets of the said trust and donations, but I ask you to consider the following when making decisions in regard to asset allocation, grant making and my gift to the Foundation.

### *Example statements of wishes*

(use one or various statements to outline your personal wishes).

- My gift is provided to establish a sub fund for the broad public and charitable benefit of (insert cause/ community) so I hope that you will keep this goal in mind when allocating yearly donations.
- My interest in this cause is **xxxx**, and I want the fund to reflect values of **xxxxx**.
- This fund is in honour of my late husband/ wife, so I wish for you to allocate the assets in a way that he/she would approve of, including supporting organisations that **xxxxxx** (insert values and passions of this person and causes of note)
- During my life I have valued (insert causes/ charitable organisations) and I hope to ensure my gift and sub fund can support such causes in perpetuity for my community

Thank you for your consideration.

Best wishes,
