

ANNUAL REPORT 2019

Chair's Report

December 2019

Welcome to our Into Our Hands 2019 AGM!

Our Board, together with Partners, Seer Data and Analytics and Words for Change are very excited to launch 'We Give North East Victoria' and our Report: *Realisng our Prosperity'*. We hope this will truly enable our communities to build a wonderful legacy across our region by collectively growing a fund in perpetuity that can be fed back to community projects.

In keeping with our strategic plan to grow the Into Our Hands public fund, we sought the expertise of like-minded philanthropic expert, Brian Frederick and invited him to visit our neck of the woods to share his knowledge.

Brian comes from the United States and Chaired the Fund for Our Economic Future, a regional philanthropic collaborative and Transfer of Wealth project in Ohio. Brian demonstrated how they were able to raise over \$100 million over 10 years which gave these communities an additional grantmaking resource of \$4 - \$5 million annually!

Brian presented to our Board and held several public workshops at the Beechworth

Festival of Change in April of 2019, an exciting initiative organised by Board member, Paul Ryan and Trudi Ryan, which Into Our Hands supported. The workshops enabled community and sector engagement of this intergenerational wealth transfer concept and helped Into Our Hands move to a pilot project to trial the approach for our region.

With some luck and hard work, Into Our Hands was awarded \$22,500 through the Federal Government's Building Better Region Fund to assist with the research and data analysis for the *Realising Our Prosperity* Report. The next phase of the project-community and public education on the opportunities for philanthropy is being supported by the June Canavan Foundation as part of their commitment to promote and encourage philanthropy. The Foundation for Rural Regional Renewal also have supported us with visioning and project development.

Our 2018/19 grant round from the Victorian Bushfire Authority
Funds rolled out grants over \$127,000 for projects including the
lighting at the Dederang Recreation Reserve, supporting new
kitchen and community use upgrades at the Piazza Church hall in
Myrtleford and a business case for community off-grid power
project for Totally Renewal Yackandandah, a project which has
successfully moved to the next phase becoming the first community
owned energy company and project in Australia!

In 2019, the Board and Executive Officer have been working hard to support a small but dedicated group of individuals to help launch Give Wangaratta. This fund and its momentum have been an exciting leap for the Foundation. Although only recently launched, The Give Wangaratta Pitch Up on Nov 26th 2019, was a wonderful event that raised over \$65,000 for 3 community organisations and helped to promote local giving in the Wangaratta area.

Established to connect and stregthen our communities

I step down as Chair after seven years,I look back at the benefits our grants totaling around \$950,000 have provided our local community organisations across the Alpine, Indigo Shires and Rural City of Wangaratta.

At our early beginnings, when holding a Forum to discuss funding opportunities we asked a question: if, as a fire affected community, we were to do one thing well what would it be? and the answer was to establish a Community Foundation.

So from those early days, funding water points for emergency and undertaking community fire planning and landscape development to more recently supporting Total Renewable Yackandandah and many other widely impactful projects it is clear the Foundation can grow and adapt to changing community needs and we are a great vehicle for community led decision making and priority setting.

This year marked the 10 year anniversary of the 2009 bushfire and that catastrophic event still impacts many of our communities so we were pleased to see the roll out of several events run by our local councils as part of those commemorations.

Our Foundation importantly needs to move on to emphasize the importance of growing our fund for the future and gear our communities into action so we can be ready and equipped financially and capacity wise to deal with future challenges.

We have an opportunity to empower locals to build their community's future and we hope to inspire our communities to use the Foundation as an effective pathway to a unified approach in building community involvement and self-confidence to support and grow innovative ideas with the ability to be able to fund those ideas to fruition.

I would like to take the opportunity to thank our Board who have put in so much time and effort our Vice Chair, Ruth Kneebone, our Treasurer Peter Ahne, our Secretary & legal advisor Rebecca Healy, Paul Ryan, John Bailey and newcomer Fiona Nicholls who comes with a wealth of experience.

I would also like to thank three board members who retired from their positions during the year, Peter Sacco, Jan Mock and Tammy Atkins who all participated many voluntary hours to grow the Foundation.

Our Patron Alan Brown, has a long association with community foundations has also taken a keen interest in our progress and provided our Board and particularly myself which much advice.

Herbert, Smith Freehills who have provided ongoing advice on our company structures have also been of huge support.

And finally a big thank you and recognition to our Executive Officer, Sarah Thompson who has shared her wealth of knowledge on Community Foundations and expertise and assisted in leading our organisation to the next level – to build our corpus and build community enthusiasm in developing a mindset for giving locally and growing our regional capacity to build local wealth and importantly keep it within our communities.

I wish the Foundation all the best in the future and I look forward to staying involved and part of the Board team.

Other 2018/19 Achievements

'We care about the future of our community and we believe it's worth investing in'

GRANTS AND AWARDS

In 18/19 we committed and paid \$127,000 for 10 new projects under our new granting strategy. A list of these projects is provided below. Each project has been developed and put forward by the community and seeks to improve facilities, lifestyle and programs available in the North East. Talk to me more to understand the grants we make and how you can support these efforts. Full financial reports are available on our website: www.intourhandsfoundation.com.au

NEW PERPETUAL TRUST FOR BUSHFIRE FUNDS

Together with Herbert Smith Freehills, we have sought to better understand our structure, obligations and terms of our charitable trusts. This has led to a structural change for the Foundation and the establishment of a new Charitable Trust which will allow for the growth of a perpetual endowment. This is a significant step for the Foundation and a major achievement towards a sustainable, self-supporting future. This new trust will allow us to invest the remaining corpus to grow it over time for perpetual community investment.

GREAT RESULTS FOR END OF FINAICAL YEAR GIVING

Our end of financial year giving results have improved dramatically with more focus on social media and tax time campaigns. Through these efforts we brought in approximately \$2,800 into the Public Fund and approximately \$1500 from our TAFCO members partnership. We have also had a rise in bequest enquiries and successful grants for operational needs including BBRF \$22,500 for the Transfer of Wealth project with more to report for the 19/20 year.

NEW PARTNERSHIPS HELPING TO BUILD THE CORPUS

Our partnerships with TRY and Give Wangaratta are also helping to build our corpus. TRY's sub fund effectively used the IOHCF platforms to raise over \$30,000 at end of financial year. The Give Wangaratta fund has raised over \$2,500 into the corpus and over \$65,000 directly for community projects.

CONTINUED SUPPORT FOR BACK TO SCHOOL PROGRAM

74 vouchers valued at over \$3,500 were provided to local schools across the Alpine, Wangaratta and Indigo shires to support families and students with back to schools supplies and costs. This was supported by Myrtleford Rotary, Austview and Garry Nash and Co who all donated over \$1,750 to match the FRRR grant. Thankyou. We have early pledges from Rotary of Appin Park Wangaratta for the same program in 2020.

Acknowledgments

Thank you to our generous supporters, in-kind partners and business donors who provide the necessary support that assists the Foundation to run day-to-day. This includes Belmores Accountants, Nevin Lenne Gross, Total HRM, Herbert Smith Freehills, Australian Community Philanthropy, Austview Sashless Windows, Aboriginal Exhibitions Gallery, Fitweld Engineering, North East Funerals, June Canavan Foundation, Rural City of Wangaratta and the Rotary Clubs of Appin Park Wangaratta and Myrtleford.

We welcome our new charitable fund holders and new donors who have joined the Foundation over the past twelve months and congratulate them on discovering the benefits of working, giving and granting with their local community foundation. This includes Totally Renewable Yackandandah and Give Wangaratta, who have utilised our structure to support them to attract philanthropic grants and local community donations.
